

Accelerate Your Business with Unified Messaging

**Avaya invites you to attend our
Unified Messaging customer forum**

In this two-hour forum you will learn....

- Why enterprises are implementing Unified Messaging solutions
- The results that current customers are experiencing
- How to estimate the return on investment that Unified Messaging will deliver to you
- How Avaya can deliver Unified Messaging in three easy steps

**Space is limited at these complimentary forums,
so be sure to register early.**

Tuesday, April 10, 2001
